

# **SMART COLOR** MULTIFUNCTION PRINTERS simply smarter

## **Elevated Document Security**

Utilizing leading edge security to protect data and meet regulatory

requirements.

The BP-C535WD and BP-C545WD compact color document systems are intelligently designed to offer advanced security and collaborative capabilities, coupled with exceptional output quality. These models offer the latest engine design, enhanced user experience and security features similar to larger devices.

Easy-to-use Touchscreen Enhanced 7-inch (diagonally measured) full-flat touchscreen delivers an accurate, responsive user experience and provides easy access to features.

Built-in Security In today's ever changing work environments, it's vital to protect endpoint devices from security threats, which is why Sharp uses the latest technology to help ensure your data remains safe.

Versatile Application Integration Maximize productivity and collaboration with easy access to expanded cloud services, quickly connect with mobile devices to print and scan files and even utilize touchless operation with the Sharp Synappx Go app.

Easily scan documents, business cards and checks using the high resolution scanner.

### Compact designs with advanced workflow features for virtually any size office.

- · Standard copy, print, scan, fax and wireless capability.
- Both the BP-C535WD and BP-C545WD DSPF (duplex single pass feeder) scans both pages of two-sided documents in one pass in batches of up to 100 sheets and scan up to 130 images per minute (two-sided).
- Both models can feed letter, legal, statement and business card sized original documents.
- Built-in optical character recognition (OCR) function can convert scanned documents to text-searchable PDF, Microsoft Office file formats and more.

 The compact PDF feature reduces file sizes
Enhanced 7-inch (diagonally measured) of most scanned color documents and decreases network traffic and storage.

Easy touch display with customizable menus.

- Access popular cloud services, including Microsoft OneDrive for Business, Microsoft Teams, SharePoint Online, Box.com, Google Drive<sup>™</sup>, Dropbox and more with the Cloud Connect feature and Sharp Application Portal.
- · Direct print from Microsoft Word, PowerPoint and Excel files with thumb drives, cloud applications, network folders and more.
- · Offers up to five paper sources with available 2,350-sheet maximum paper capacity.

Optional compact inner finisher offers stapling, offset stacking and sorting.

- full-flat touchscreen delivers an accurate, responsive user experience and provides easy access to features.
- Network ready PCL<sup>®</sup> 6 and Adobe<sup>®</sup> PostScript®3™ printing systems deliver up to 35 and 45 pages per minute.
- Print Support Application (PSA) is supported by Windows 10 and 11 which enables users to print without a print driver.
- · Strong, multi-layered security such as system integrity check, intrusion detection, and optional Bitdefender antivirus help protect your data.
